CONTACT HISTORY — *Check any that apply:*

- The individual has been diagnosed with COVID-19.
- The individual has a close contact that has been in contact with someone exposed to or infected with COVID-19 in the last 14 days. (**Not applicable to health care workers/professionals*)
- The individual has a household member currently on a watch list for COVID-19 exposure.

If any above apply to you or your Scout, you/they may not attend camp.

<input checked="" type="checkbox"/> I VERIFY THAT I HAVE ANSWERED ALL QUESTIONS TRUTHFULLY	INITIAL HERE
---	--------------

The health and safety of our Scouts is our #1 priority. In light of the COVID-19 pandemic, we think it is important that you understand our efforts to manage your Scout's health and safety so that you can make an informed choice. We are focused on taking reasonable measures to prevent the spread of COVID-19 in our camps. We have strengthened our standard cleaning procedures, taken measures to monitor and address symptomatic campers by introducing this pre-camp health screening, daily temperature checks, and protocols to isolate, confirm, respond, and remove any Scouter or staff with suspected COVID-19. **You can view more measures we're taking by visiting hoac-bsa.org/camp-safety.**

This situation continues to change daily, and as such, we will adapt and adjust our protocols and procedures as we continue to consult with and incorporate guidelines from federal, state, and local health officials in our efforts to help keep our campers, staff, and Scouting families safe.

Ultimately, the choice for your child to attend summer camp is a personal one, and you are in control. If you are uncomfortable with the risks of COVID-19 in a summer camp setting, we have several options available, including a full refund or hold your deposit for next summer.

<input checked="" type="checkbox"/> I CONSENT TO THE ABOVE DISCLOSURE FOR SUMMER 2020	INITIAL HERE
